

## 3<sup>rd</sup> Annual Moraine Park Car Show & Swap Meet

### Exhaust Sound-Off Competition Information

We have decided to expand our Exhaust Sound-Off Competition from our inaugural competition last year.

**Not new from last year.** Admission to the competition is \$1. (if your vehicle is not in the car show you will also have to pay the spectator admission of \$2)

1<sup>st</sup> place for each class receives a trophy.

Winner decided by crowd response.

Competition will begin at 1:00.

**What's new!** 3 Classes:

Open Class- Bring anything you want with an internal combustion engine. (Tractors, ATVs, motorcycles, etc.) No rules, no restrictions, just noise!

8 Cylinder & Bigger- This class is for street vehicles. **Vehicles must have full exhaust that exits the vehicle behind the driver.** Muscle cars welcome. Bring your weekend warrior and join the competition.

6 Cylinder & Smaller- This class is for your exotic or import vehicle with that unique sound. **Vehicles must have full exhaust that exits the vehicle behind the driver.** Turbo cars and fart cans are all fair game!

Vehicles that want to be entered into the Exhaust Sound-Off Competition but are not entering the car show should be parked in the B-lot (north) until the class you want to enter is announced. Vehicles entering the competition must enter and leave the competition under their own power.

**NO BURNOUTS!!! Anyone doing a burnout will be disqualified and asked to leave the grounds and may be reported to local authorities!**
